Spring Term 2023

9th January 2023

Dear parents and carers,

We want to welcome everyone back and wish you a Happy New Year! We hope that you have had a good break and have spent time with your friends and families. The children have come back to school enthusiastic to continue with their learning and we are excited for what the term ahead holds in store. Our classes will be continuing to access their life skills curriculum in the community and a number of classes have some lovely trips planned for this term.

This term we expect some very cold and wet weather. Please could we ask that you make sure your child comes into school each day with an appropriate coat, jumper/ fleece and shoes. Please can you make sure **all** items of clothing including jumpers, hats and gloves are labelled with your child's name as these things can go missing easily. In the case of severe weather warnings please keep an eye on the school website, Class Dojo & Tapestry for information regarding possible school closure.

Before Christmas we had a number of bugs and illnesses circulating. If your child has sickness and/ or diarrhoea please remember they should stay off school for **48 hours**. If your child is generally unwell, we would ask you consider if they should be in school or if they are better off at home. We are unable to administer Calpol/ paracetamol in school unless prescribed by the doctor for a specific reason.

Please continue to look at Dojo/ Tapestry and view our School website for all our new themes, class news and what's happening in our exciting lessons this coming term. Maths week will be the week beginning 13th February so keep an eye out for your invite to join in the fun!

Finally, a quick reminder that we break up for half term on **Friday 17th February 2023**.

Thank you for your continued support, and cooperation!

Samantha Benson, Head Teacher
