

Lisburne school- February 2023

NEWBUILD NEWS

Hello!

Welcome to February's addition of our new build newsletter. As you can see from the image to the left, work is progressing nicely. The size of the building is incredible.

Update

As you are aware there has recently been a fire within one of the buildings at the new school. There is currently an investigation being undertaken and we will share any updates as we receive them. We have been reassured that work is continuing on other aspects of the building.

Get in touch

If you have any questions or queries regarding the new build we will endeavour to answer these where possible. Please get in touch by emailing:
