# NEWBUILD NEWS

## Hello!

Welcome to October's addition of our new build newsletter. We have been a little quiet recently, but now it is time to get the excitement raised and share some updates with you all.

## Update

The demolition of the fire affected building has been successful and the rebuild is well underway. The metal structure is now in place and work is progressing well. The other two buildings are at a very positive stage in which they will have their finishing touches next year as the build comes together.

## Get in touch

If you have any questions or queries regarding the new build we will endeavour to answer these where possible. Please get in touch by emailing:
