

Lisburne School Governor Training – Speechwise Therapy

During Spring Term 2024 Lisburne School Governors attended Training led by Alex and Laura from Speechwise Therapy about how we use Attention Autism here at Lisburne. It shared with the governors what it actually is, how we progress through the 4 stages and how it can be adapted to different topics to build up children's attention skills. They then went to Chestnut class after the training to see the stages in action!

1st stage- Bucket

2nd Stage- Bubble snake

3rd stage- Flour castles
