## Welcome back!

We hope you are all well and excited to receive the latest addition to our new build newsletter. As we move closer to the completion of the new school building, we wanted to share some updates

## Whats new...

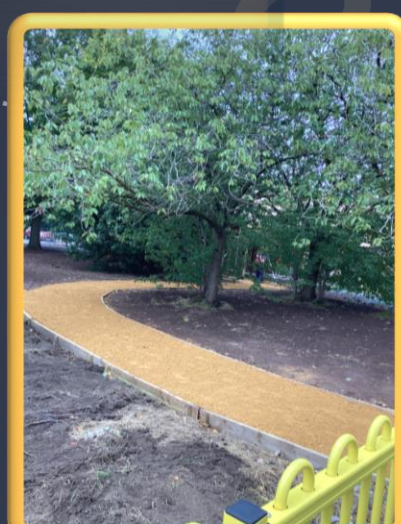

We are just weeks away from the full completion of our new, purpose built school which will offer all of our amazing pupils the most incredible learning environment, we look forward to showing you around our new building very soon.

Information will be shared regularly in the coming weeks to keep all parents, carers, staff and wider stakeholders updated.

## Did you know?

We have an amazing forest school area which is fully accessible for all of our children. We cannot wait to explore our outdoor space.

# Teaching and learning spaces

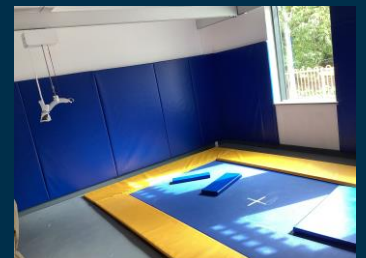

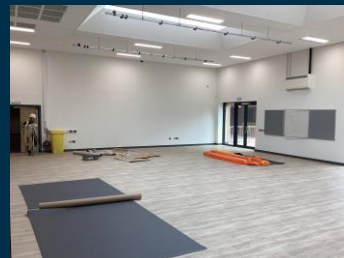

The two teaching blocks are very close to full completion with furniture beginning to be added. In the next couple of weeks they will develop with computing equipment and soft furnishings.
