Exciting News about our new school

Dear parents and carers

We are happy to share with you the news of our new build which will be off 'The Fairway' SK2, in Offerton, not far from our main site.

Position of the New School - off The Fairway.

Position of our Main Site in Offerton.

The old Offerton High School building has now been demolished over the summer holidays and the groundwork/foundations for our new building is progressing well through the hard work of Kier Construction.

We want to keep you all updated via Tapestry, Dojo and our website highlighting how the new school is progressing and hope to include photos of the construction and building developments.

If you have any queries regarding the new build please contact either myself or my Deputy Gill Levis, we will be happy to answer any questions. I hope you will support us in what will be a very exciting time for Lisburne School.

Kind regards

Sam Benson
Headteacher
