Overdale Site ~
Powicke Drive
Romiley SK6 3EF
Tel: 0161 494 5753

Holly Class
Hardman Street
SK3 0BJ

February 2022

Dear parents/ carers

We wanted to share some information regarding our new school building. We are regularly meeting with the team to develop the school to meet the needs of all our pupils and ensure we have input into the way the school will be set up.

Construction of the new site, on Fairway Road, is well underway.

Steelwork installation has been completed for all three of the teaching blocks and the floors are currently being put in. The next step is for the roof to be finished and then the walls, which will allow builders/ contractors to start on the internal work.

There have been a few weather-related issues but we are on target to move across into the new school. This forecast completion date reflects a delayed start.

We will continue to update you regarding the exciting progress with Lisburne School's new school and know you will be interested in the different phases of the building construction.

Lisburne will be moving into the new building from January 2023 with a clear structure and transition process in place for all of our children across the 3 sites – individual needs will be our priority and we will work together with our families to ensure this is a smooth process.

If you have any concerns please don't hesitate to contact us, thank you for your continued co-operation and support.

Kind regards

Sam Benson – Headteacher
