June 2021

Dear Parents/Carers,

We would like to welcome you back after the ½ term break, hopefully as restrictions are starting to ease you have managed to get out and meet up with friends and family. Staff are pleased to see everyone return back safely to school after the holiday, all the children continue to be a credit to Lisburne School and have come back enthusiastic and engaged with their learning.

We have some important information that we would like to share with you regarding a few changes we have made to our summer term.

## Summer 2021 transition information.

Last year we had lots of productive feedback when the children transitioned into their new classes at the end of the school year. We realised that there were lots of positives when the children were able to meet their new teachers and spend time in their new classrooms before the summer break, therefore we have looked at how to improve the transition process for all our children. This year the children will finish in their current classes on Friday 23<sup>rd</sup> July – the teachers will say goodbye and pass across Dojo/ Tapestry to new teachers. When children come into school the following week they will start in their new classes on Monday 26<sup>th</sup> and remain there Tuesday 27<sup>th</sup> and Wednesday 28<sup>th</sup> July before breaking up for summer. Parents/ carers and children will be provided with a photo sheet at the start of July showing the staff and children in their new class to prepare them for the transition.

# Lisburne summer show 2021.

This year we are sadly unable to invite parents in to school to share the excitement and watch our summer performance. We know how much enjoyment the children get from performing and so will be recording the show enabling the classes to still remain safe in their bubbles.

We are basing the summer production around the story “**Commotion in the ocean**” and including some of our children’s favourite memories and experiences of life at Lisburne School. The performance will include our older children with the focus being on our year 6 leavers. We will be sending a copy of the video out to all our families of Year1 – Year 6 children, if you want to purchase additional DVD’s please let the staff know and pre-order these at £5 each - these will be available to order on Parent Pay from 19<sup>th</sup> July.

Please note that our youngest children in Holly and Lime classes will be completing a video of their favourite summer experiences in school, this compilation will be sent out to all parents via Tapestry the week beginning 19<sup>th</sup> July.

We look forward to sharing all of the enthusiasm and energy that our children always put into the dancing and singing in their performances and smiles for the cameras .... as always there will be some truly fantastic and unforgettable moments!

If you have any questions about the summer production and/ or videos please don’t hesitate to contact me.

Yours sincerely,

Gillian Levis
