Summer Term 2021

Dear parents and carers,

Welcome back we hope you all had a great Easter and managed to get out a little now that the restrictions have eased slightly. We are delighted to see everyone return safely to school after the holiday, as always the children have returned excited and enthusiastic to continue with their learning and are eager to be back in school. This term classes will be looking at more outdoor learning and we are hoping to safely start some of our life skills out in the community. The key focus across Lisburne School will be to improve our children's independence and reinforce our learning in everyday situations.

Public Health and the Local Authority have clear guidelines to support the reduction with the transmission of illness, because we have a number of vulnerable children in school we would appreciate your support reducing the spread of infection. Can we please make clear that children need to be off school for 48 hours after the last sickness or loose bowel movement. We are unfortunately unable to give children Calpol or pain relief medication as these will reduce temperatures (a symptom of Covid). If your child is unwell the guidelines are that they are safer at home – if your child (or a member of the household) has symptoms please book a PCR test and inform school as soon as possible covid@lisburneschool.stockport.sch.uk.

Please continue to look at the School Dojo/ Tapestry and view our website for all our new topic themes, class news and what's happening in all our exciting lessons this coming term. Please contact me if you have any concerns or questions.

Thank you for your continued support, help and cooperation!

Samantha Benson

School uniform.

Please can we ask that all children come into school dressed appropriately for both PE and Forest School. Please can we ask you to check Tapestry and Dojo for information regarding when your children will have these lessons and check the website if you are unsure what children need to wear for PE.
