14th June 2022

Summer 2 2022

Dear parents and carers,

Welcome back we hope you all had a good break. We are delighted to see everyone return safely to school after the holiday, as always the children are happy to be back in school and to continue with their learning.

We have a really busy term ahead with lots of outdoor learning opportunities and trips into the wider community. We have a science fair later this week where children will get to spend the day exploring scientific activities with children from another class! Look out for more information about what is going on in your child's class.

Don't forget our **summer fair** will be held at our Offerton site on **Saturday 25th June 2-4pm.**

We hope to see as many of you there as possible. We have really missed being able to do these over the last couple of years and are so excited and hope to see as many of you as possible. It will be a really great afternoon! We are having two non-uniform days to collect more items for the stalls, please see the dates on the next page.

This term we are saying goodbye to a number of staff; Teachers, Patrick, Natalie & Jenny are moving on to new roles in other schools. One of our FLCs, Jodie, is returning to university and finally Tracey Nicholls is retiring after 18 years as a TA at Lisburne. We would like to wish you all the very best for the future and hope that you all keep in touch! We would also like to welcome new teachers Nicole, Natalie, Kirsten & Lauren who will be starting in September and we are currently in the process of recruiting a new FLC.

Please continue to look at the School Dojo/ Tapestry and view our website for all our new topic themes, class news and what's happening in all our exciting lessons this coming term. Please contact me if you have any concerns or questions.

Thank you for your continued support!

Samantha Benson

Lisburne School

Illness

Can we please remind you that that children need to be off school for 48 hours after the last sickness or loose bowel movement. We are unfortunately unable to give children Calpol, paracetamol or Ibuprofen unless prescribed by the doctor for a specific reason.

Warmer weather

As the weather improves please make sure your child comes to school prepared, please check the forecast and send in a suitable raincoat even if it is warm. Please make sure sun hats are labelled.

Sun cream; If your child needs sun cream applying in school, please make sure you have given consent. If they have their own sun cream, please apply before school or speak to your class teacher about sending it in.

If your child suffers from hay fever, it may be worth speaking to your GP soon and give them any medication before school especially on Forest School days.

A few dates for your diary:
