## Autumn Term 2022

Dear Parents and Carers,

A very warm welcome back! We have enjoyed seeing the children arrive and transition so happily into their new classes. The teachers and staff worked hard over the summer to ensure that classrooms and resources were ready for the children. Can we remind parents that all children should come to school wearing their Lisburne uniform and as we know that the weather can be quite unpredictable - please can you make sure that children come in to school with a raincoat and suitable footwear. Especially on Forest School days!

This is always a very busy time of year; we would like to thank you all for your patience and cooperation at drop off and pick up. The taxi drop off will be first and then this is followed by parents – this is to ensure the safety of all our children, we appreciate your support and help making this work.

Please can I remind you that you need to phone the main school office **0161 483 5045** or text if your child is unwell or has an appointment that means they will be off school. Please remember that during the school day teachers are delivering lessons and therefore may not see messages on Tapestry or Dojo – please continue to phone the school office with any important or urgent messages. We are sending out information about communication through Class Dojo and Tapestry, we hope that this will clarify expectations.

**Please find enclosed some important letters. Please can you sign and return these to school by Monday 12<sup>th</sup> September.**

**We have kept your consent preferences in relation to photographs, internet use, local life skills visits, dietary requirements and the home school agreement. If any of these have changed, please contact the office.**

May I remind you that our **Parent's Evening is on Monday 14<sup>th</sup> November**, I look forward to seeing you and sharing in your children's learning journey. Our FLCs will be available to meet you informally to discuss any issues, all meetings with the teachers will take place in the classrooms. Please note our SALT and OT therapists will not be attending, if you have anything you wish to discuss with the therapists please inform the class teacher who will arrange for them to contact you directly. We would like to inform you that due to restrictions we will be unable to offer a crèche for our parent's evenings.

**Finally a reminder that we have an INSET on Friday 23<sup>rd</sup> September this is for specialist staff training and so children will NOT be in school on this day.**

*Ruth Benson*

## Sickness

As we move into winter we will of course have lots of bugs circulating. Could we please ask that if your child is unwell you consider whether they are well enough to be in school. We are not able to administer Calpol or Ibuprofen in school unless prescribed by a doctor for a specific reason.

If a child has sickness or diarrhoea, following NHS guidance, they must stay off school for 48 hours after the last episode.

We appreciate parents and carers support and cooperation in this.

**22<sup>nd</sup> September** – Introduction to Family Liaison Coordinators 1pm.

**23<sup>rd</sup> September** – INSET children not in school.

**W/B 26<sup>th</sup> September** – Immersive Learning week, parent invite to follow.

**4<sup>th</sup> October** - Flu vaccinations - Overdale & Holly

**5<sup>th</sup> October** - Flu vaccinations - main site

**W/B 17<sup>th</sup> October** – Diwali celebrations, parent info to follow.

**21<sup>st</sup> October** - Wear it Pink for Breast cancer

**Friday 21<sup>st</sup> October** – School closes at 3pm for half term.

**Monday 31<sup>st</sup> October** – Children return to school.
